Egypt, the land of mystery and beauty. Whether it's relaxing on the Nile or haggling for goods in the street markets, I believe Egypt has something for everyone.

Visit the Great Pyramid, the oldest and only remaining 'wonder' from the 'Seven Wonders of the World'. Experts say that it took 100,000 workers over 20 years to build.

Find out about the history and culture of Egypt by stopping off at one of the many museums. See fantastic displays filled with exciting items from the past.

Cairo, the capital city of Egypt, is home to more than 15 million people. Drink coffee with the locals or explore the city's many attractions. It is generally thought to be the busiest capital in the world.

Remember, the weather in Egypt is very hot. In some months the temperature can reach in to the high 30's. You should consider this when booking your holiday.
